

You've Always Got Me

By Matt Case

GENESIS 2:23-24 NASB

The man said,

"This is now bone of my bones,

And flesh of my flesh;

She shall be called Woman,

Because she was taken out of Man."

For this reason a man shall leave his father and his mother, and be joined to his wife; and they shall become one flesh.

Verse 1

Baby, baby I know sometimes
That your world is dark and lonely inside
So I'll try to make it right
Baby, baby there's a song inside
That screams to come alive
When you look at me and smile

Pre-Chorus

And I know that there are days
When it seems you've lost your way
Let me be the one to say that I love you
And I know that there are times
When it seems you've lost your mind
But before you go away
Let me stand here and say

Chorus

You've always got me
Through the brokenness
And the loneliness, and the heaviness
That makes life a mess
Let me show you what you mean to me
You've always got me
Through the hardest times
When no hope's alive
And the tears you cry
Keep you awake at night
Let me show you what you mean to me

Verse 2

Now tell me, tell me your dreams for life
And the hopes you tuck away down inside
Let me know what makes you smile

Come be near me as I say tonight
There's no other song on earth so fine
As the one that we will write

Pre-Chorus

And I know that there are days
When it seems you've lost your way
Let me be the one to say that I love you
And I know that there are times
When it seems you've lost your mind
But before you go away
Let me stand here and say

Chorus

You've always got me
Through the brokenness
And the loneliness, and the heaviness
That makes life a mess
Let me show you what you mean to me
You've always got me
Through the hardest times
When no hope's alive
And the tears you cry
Keep you awake at night
Let me show you what you mean to me

Bridge

What can I say, what can I do
To show my love for you?
What can I say, what can I do
For you?

Chorus

You've always got me
Through the brokenness
And the loneliness, and the heaviness
That makes life a mess
Let me show you what you mean to me
You've always got me
Through the hardest times
When no hope's alive
And the tears you cry
Keep you awake at night
Let me show you what you mean
Let me show you what you mean
I will show you what you mean to me
